

DIMENSIONS

Dimensions are subject to change. For critical applications, verify all dimensions with factory.

ORDERING

Available in 12, 17, and 20 watt PAR38 LED. LED technology offers an unprecedented lamp life. This fixture is virtually maintenance-free. Engineered for illumination of retail displays or any area where high efficiency and color rendering are desired. Available with four different track adaptors to fit most existing line voltage systems. Also available with stand-alone monopoint mounting canopy. Supplied with Juno track fitting. A 12W LED is comparable to 50W Incandescent.

HOUSING

Heavy aluminum alloy housing provides durability and maximum heat sinking for longer life of electronic components.

ELECTRICAL

Highest quality driver, emitters and power supply for long life.

LED COLOR

Available in 2700K (12W) or 3000K (17/20W).

OPTICS

Available in 3 beam patterns: Spot, Medium, or Flood.

FINISH

Exterior housing is finished in white as standard.

CERTIFICATION

cULus Listed. 5 year warranty.
