

**DIMENSIONS**

Dimensions are subject to change. For critical applications, verify all dimensions with factory.

**ORDERING**

Available in nominal lengths up to 8'-0" sections, T5 or T8 operation, custom lengths available upon request. For continuous runs please consult factory with specific wiring instructions. Simple clean linear lines allow for this fixture to blend aesthetically into almost any space. Mounting can be accomplished using adjustable aircraft cables or rigid stems. Wall mount is also available.

**HOUSING**

Housing constructed of extruded aluminum.

**ELECTRICAL**

Energy saving electronic ballasts comply with Federal Energy Efficiency standards. Ballasts are <10% THD and include 5 year manufacturer's warranty. Ballasts operate on 120V-277V (UNV) unless specified otherwise.

**DIFFUSERS**

Pattern A12 acrylic lens is standard. Optional cross blade.

**FINISH**

All parts finished with white polyester powder coat with minimum 89% reflectivity. Standard color is white. Other colors are available upon request.

**CERTIFICATION**

All units bear UL label. Made in U.S.A. Suitable for damp location. ARRA and BAA compliant.
